

## **Recommendations from the Fall 2010 School Councils Conference**

The following recommendations were discussed and approved at the School Councils Conference held in Whitehorse, November 25 through 27, 2010

### **2010B01 School Council Eligibility**

Recognizing that rural areas experience greater difficulty recruiting candidates;

we recommend that methods be investigated to change the criteria that disqualify substitute teachers from serving as a trustee of a School Board or a member of a Council in rural education areas.

### **2010B02 Managing Critical Transitions**

We recommend that the Department of Education and individual Schools implement strategies to monitor and support children as they move through critical transition points: home to school; grade 3 to 4; grade 7 to 8; and grade 10 to 11.
