

## **Recommendation from the Spring 2011 School Councils' Conference**

The following recommendation was discussed and approved at the School Councils Conference held in Whitehorse, April 14 through 16, 2011

### **2011A01 Health Behaviours Study**

We recommend that the Department report back to a subsequent conference on the results from the survey entitled "Health Behaviours of School Age Children" introduced at the Spring 2011 Conference by Paula Pasquali.
