We will be undertaking an evaluation of the services that AYSCBC provides to its Members in November and we hope all Member Councils will take the opportunity to give us their feedback. We will be reporting back to the Membership once it is compiled.

We extend our great appreciation to all School Councils---to all those who make the time to work so diligently with their schools, providing support for our students, their families and the community at large. AYSCBC is proud to be working alongside all of you.

Respectfully submitted by Bob Laking, Chair and Carol Coote, Executive Director
