## JUNE 2014 NEWSLETTER

### TURN WIRED STUDENTS INTO GREAT DIGITAL CITIZENS!

As we continue our aim of raising awareness about some great resources, here is a source of some that could easily become discussion generators and learning opportunities in our schools:

Note that there is information for parents, schools of all grade levels, and more. You might consider putting an item in your school's newsletter about this too!

*If you have dates set for upcoming School Council meetings as well as your AGM in September, we'd be happy to hear of them so we can post them on our [online calendar](#) and attend as possible. Thanks!*

### Fall 2014 SCHOOL COUNCILS' CONFERENCE & AYSCBC Annual General Meeting

Stay tuned for more news about these events—we hope to share some exciting information soon!

For current as well as incoming School Council members and other interested individuals, we invite all of you to connect with us through our website: [www.ayscbc.org](http://www.ayscbc.org) and directly with [Carol](#), our Executive Director.

**Please note that we will be accessible throughout the summer.**

Whether classes are finished in your school community or there are still a few weeks left, we send our best wishes for a safe and relaxing summer to one and all! Thanks for all your time, energy and work with your School Council. We look forward to continuing to work with you in the next school year.
