

# FREE PUBLIC PRESENTATION

OPEN TO ALL -- YOUTH & PARENTS ARE ESPECIALLY WELCOME

The balance of a good education involves the home, the school and the community — emotional growth, intellectual growth and inspirational ideas.

*“Children are children first, they are only school students second. They are more influenced by the conduct of their parents than by their teachers.”*

*“Adolescence.... is a period of profound change in the brain,.... this means that adolescents are especially susceptible to environmental, social and emotional pressures.”*

Come meet **John Abbott, President of the 21<sup>st</sup> Century Learning Initiative** and experience why he is known as a great storyteller, a catalyst for change, and a connector.

The theme of his session is: ***“Umbutu...how goes it with the Children?”***

**Thursday, October 24<sup>th</sup>**

When: 7:00pm (doors open at 6:00pm)

Where: Beringia Centre Auditorium, next to Airport
