Dear School Council Members and School Administrators,

RE: School Council General Elections Postponed

I am writing to inform you that, due to ongoing concerns related to COVID-19, I have authorized the postponement of the general election for members of the 26 school councils scheduled for the period April 9 – May 4, 2020. This decision is authorized by the Education Act.

A revised date for the general election is under review. We will provide you with more information once new dates are confirmed.

We are experiencing many delays, postponements and cancellations in the Yukon during this unprecedented time. However, these steps are necessary and it is important we continue to work together to prevent the spread of the COVID-19 virus in our territory.

Thank you for your understanding and patience. I appreciate your passion and dedication for supporting your school communities.

Sincerely,

Tracy-Anne McPhee
Minister of Education
