Dear Sandra Henderson,

Thank you for contributing to the Standing Committee on Public Accounts' examination of the *Report of the Auditor General of Canada to the Legislative Assembly of Yukon – Kindergarten Through Grade 12 Education in Yukon – Department of Education* and the progress made since the report's release.

Today the committee released a report on its findings. The committee's report makes note of what has been done since 2020 to address the issues highlighted by the Auditor General and where more work is needed. The committee expects to see the Department of Education make further progress and is therefore recommending that the Department of Education provide an update by February 28, 2023.

The full report is available on the committee's webpage

Sincerely,
